

Spotlight on Sustainability!

A special community meeting of the
Planning, Land Use and Sustainability Committee

Tuesday, September 16
6 p.m. – 8 p.m.

Bertha Knight Landes Room, City Hall
601 5th Ave – Seattle, WA 98104

Topics for this special meeting on sustainability include:

- ♦ Seattle's emergency response plans in the event of an oil train spill or explosion.
- ♦ Why Seattle is ending the use of neonicotinoid-based pesticides to help protect honeybees and other pollinators.
- ♦ Updates on Seattle's Food Action Plan and King County's Local Food Initiative—both are efforts to promote access to healthy foods and support local growers.

There is also an opportunity to share *your* perspective about these important issues, so come out on September 16 and bring your friends and family who care about sustainability in Seattle.

This special meeting is co-sponsored by the following organizations:
